

MoDOT Minute – Oct. 25, 2011

Hi. This is Sally Oxenhandler with your MoDOT Minute.

The Missouri Coalition for Roadway Safety is teaming up with KRCG-TV and Joe Machens Ford to discourage distracted driving. The “Focus on the Road” awareness campaign includes a chance to win a new 2012 Ford Focus. To enter, visit the “Focus on the Road MO” fan page on Facebook.

The 600th new bridge completed as part of MoDOT’s Safe & Sound Bridge Improvement Program opened last week on Route H in DeKalb County. The \$685 million program is 75 percent complete and on track to finish more than a year ahead of schedule.

And, as party-going ghouls and Lady Gagas celebrate Halloween, the coalition reminds you if your celebration plans include alcohol, be sure to designate a sober driver. When behind the wheel, keep special watch for children and other revelers. If walking, make yourself as visible as possible.

That’s been your MoDOT Minute. Remember to check back every week for new information.
